UNIVERSITY OF CALIFORNIA PATENT POLICY—October 1, 1997

I. PREAMBLE

It is the intent of the President of the University of California, in administering intellectual property rights for the public benefit, to encourage and assist members of the faculty, staff, and others associated with the University in the use of the patent system with respect to their discoveries and inventions in a manner that is equitable to all parties involved.

The University recognizes the need for and desirability of encouraging the broad utilization of the results of University research, not only by scholars but also in practical application for the general public benefit, and acknowledges the importance of the patent system in bringing innovative research findings to practical application.

Within the University, innovative research findings often give rise to patentable inventions as fortuitous by-products, even though the research was conducted for the primary purpose of gaining new knowledge. The following University of California Patent Policy is adopted to encourage the practical application of University research for the broad public benefit; to appraise and determine relative rights and equities of all parties concerned; to facilitate patent applications, licensing, and the equitable distribution of royalties, if any; to assist in obtaining funds for research; to provide for the use of invention-related income for the further support of research and education; and to provide a uniform procedure in patent matters when the University has a right or equity.

II. STATEMENT OF POLICY

A. An agreement to assign inventions and patents to the University, except those resulting from permissible consulting activities without use of University facilities, shall be mandatory for all employees, for persons not employed by the University but who use University research facilities, and for those who receive gift, grant, or contract funds through the University. Such an agreement may be in the form of an acknowledgment of obligation to assign. Exemptions from such agreements to assign may be authorized in those circumstances when the mission of the University is better served by such action, provided that overriding obligations to other parties are met and such exemptions are not inconsistent with other University policies.

B. Those individuals who have so agreed to assign inventions and patents shall promptly report and fully disclose the conception and/or reduction to practice of potentially patentable inventions to the Office of Technology Transfer or authorized licensing office. They shall execute such declarations, assignments, or other documents as may be necessary in the course of invention evaluation, patent prosecution, or protection of patent or analogous property rights, to assure that title in such inventions shall be held by the University or by such other parties designated by the University as may be appropriate under the circumstances. Such circumstances would include, but not be limited to, those situations when there are overriding patent obligations of the University arising from gifts, grants, contracts, or other agreements with outside organizations.

In the absence of overriding obligations to outside sponsors of research, the University may release patent rights to the inventor in those circumstances when:

1. the University elects not to file a patent application and the inventor is prepared to do so, or
2. the equity of the situation clearly indicates such release should be given, provided in either case that no further research or development to develop that invention will be conducted involving University support or facilities, and provided further that a shop right is granted to the University.

C. Subject to restrictions arising from overriding obligations of the University pursuant to gifts, grants, contracts, or other agreements with outside organizations, the University agrees, following said assignment of inventions and patent rights, to pay annually to the named inventor(s), or to the inventor(s)' heirs, successors, or assigns, 35% of the net royalties and fees per invention received by the University. An additional 15% of net royalties and fees per invention shall be allocated for research-related purposes on the inventor's campus or Laboratory. Net royalties are defined as gross royalties and fees, less the costs of patenting, protecting, and preserving patent and related property rights, maintaining patents, the licensing of patent and related property rights, and such other costs, taxes, or reimbursements as may be necessary or required by law.

Inventor shares paid to University employees pursuant to this paragraph

represent an employee benefit. When there are two or more inventors, each inventor shall share equally in the inventor's share of royalties, unless all inventors previously have agreed in writing to a different distribution of such share.

Distribution of the inventor's share of royalties shall be made annually in November from the amount received during the previous fiscal year ending June 30th, except as provided for in Section II.D. below. In the event of any litigation, actual or imminent, or any other action to protect patent rights, the University may withhold distribution and impound royalties until resolution of the matter.

D. The DOE Laboratories may establish separate royalty distribution formulas, subject to approval by the President. Distribution of the inventor's share of DOE Laboratory royalties shall be made annually in February from the amount received during the previous fiscal year ending September 30th. All other elements of this policy shall continue to apply.

E. Equity received by the University in licensing transactions, whether in the form of stock or any other instrument conveying ownership interest in a corporation, shall be distributed in accordance with the Policy on Accepting Equity When Licensing University Technology.

F. In the disposition of any net income accruing to the University from patents, first consideration shall be given to the support of research.

III. PATENT RESPONSIBILITIES AND ADMINISTRATION

A. Pursuant to Regents' Standing Order 100.4(mm), the President has responsibility for all matters relating to patents in which the University of California is in any way concerned. This policy is an exercise of that responsibility, and the President may make changes to any part of this policy from time to time, including the percentage of net royalties paid to inventors.

B. The President is advised on such matters by the Technology Transfer Advisory Committee (TTAC), which is chaired by the Senior Vice President—Business and Finance. The membership of TTAC includes the Provost and Senior Vice President—Academic Affairs, the Director of the Office of Technology Transfer, and representatives from the campuses, DOE Laboratories, Academic Senate, the Division of Agriculture and Natural Resources and the Office of the General Counsel. TTAC is responsible for:

1. Reviewing and proposing University policy on intellectual property matters including patents, copyrights, trademarks, and tangible research products;
2. Reviewing the administration of intellectual property operations to ensure consistent application of policy and effective progress toward program objectives; and
3. Advising the President on related matters as requested.

C. The Senior Vice President—Business and Finance is responsible for implementation of this Policy, including the following:

1. Evaluating inventions and discoveries for patentability, as well as scientific merit and practical application, and requesting the filing and prosecution of patent applications.
2. Evaluating the patent or analogous property rights or equities held by the University in an invention, and negotiating agreements with cooperating organizations, if any, with respect to such rights or equities.
3. Negotiating licenses and license option agreements with other parties concerning patent and or analogous property rights held by the University.
4. Directing and arranging for the collection and appropriate distribution of royalties and fees.
5. Assisting University officers in negotiating agreements with cooperating organizations concerning prospective rights to patentable inventions or discoveries made as a result of research carried out under gifts, grants, contracts, or other agreements to be funded in whole or in part by such cooperating organizations, and negotiating with Federal agencies regarding the disposition of patent rights.
6. Approving exceptions from the agreement to assign inventions and patents to the University as required by Section II.A. above.
7. Approving exemptions to University policy on intellectual property matters including patents, copyrights, trademarks, and tangible research products.

Form I-9

OMB No. 1615-0047
Expires 03/31/2016

Read all instructions carefully before completing this form.

Anti-Discrimination Notice. It is illegal to discriminate against any work-authorized individual in hiring, discharge, recruitment or referral for a fee, or in the employment eligibility verification (Form I-9 and E-Verify) process based on that individual's citizenship status, immigration status or national origin. Employers **CANNOT** specify which document(s) they will accept from an employee. The refusal to hire an individual because the documentation presented has a future expiration date may also constitute illegal discrimination. For more information, call the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC) at 1-800-255-7688 (employees), 1-800-255-8155 (employers), or 1-800-237-2515 (TDD), or visit www.justice.gov/crt/about/osc.

What Is the Purpose of This Form?

Employers must complete Form I-9 to document verification of the identity and employment authorization of each new employee (both citizen and noncitizen) hired after November 6, 1986, to work in the United States. In the Commonwealth of the Northern Mariana Islands (CNMI), employers must complete Form I-9 to document verification of the identity and employment authorization of each new employee (both citizen and noncitizen) hired after November 27, 2011. Employers should have used Form I-9 CNMI between November 28, 2009 and November 27, 2011.

General Instructions

Employers are responsible for completing and retaining Form I-9. For the purpose of completing this form, the term "employer" means all employers, including those recruiters and referrers for a fee who are agricultural associations, agricultural employers, or farm labor contractors.

Form I-9 is made up of three sections. Employers may be fined if the form is not complete. Employers are responsible for retaining completed forms. Do not mail completed forms to U.S. Citizenship and Immigration Services (USCIS) or Immigration and Customs Enforcement (ICE).

Section 1. Employee Information and Attestation

Newly hired employees must complete and sign Section 1 of Form I-9 **no later than the first day of employment**. Section 1 should never be completed before the employee has accepted a job offer.

Provide the following information to complete Section 1:

Name: Provide your full legal last name, first name, and middle initial. Your last name is your family name or surname. If you have two last names or a hyphenated last name, include both names in the last name field. Your first name is your given name. Your middle initial is the first letter of your second given name, or the first letter of your middle name, if any.

Other names used: Provide all other names used, if any (including maiden name). If you have had no other legal names, write "N/A."

Address: Provide the address where you currently live, including Street Number and Name, Apartment Number (if applicable), City, State, and Zip Code. Do not provide a post office box address (P.O. Box). Only border commuters from Canada or Mexico may use an international address in this field.

Date of Birth: Provide your date of birth in the mm/dd/yyyy format. For example, January 23, 1950, should be written as 01/23/1950.

U.S. Social Security Number: Provide your 9-digit Social Security number. Providing your Social Security number is voluntary. However, if your employer participates in E-Verify, you must provide your Social Security number.

E-mail Address and Telephone Number (Optional): You may provide your e-mail address and telephone number. Department of Homeland Security (DHS) may contact you if DHS learns of a potential mismatch between the information provided and the information in DHS or Social Security Administration (SSA) records. You may write "N/A" if you choose not to provide this information.

All employees must attest in Section 1, under penalty of perjury, to their citizenship or immigration status by checking one of the following four boxes provided on the form:

1. A citizen of the United States

2. A noncitizen national of the United States: Noncitizen nationals of the United States are persons born in American Samoa, certain former citizens of the former Trust Territory of the Pacific Islands, and certain children of noncitizen nationals born abroad.

3. A lawful permanent resident: A lawful permanent resident is any person who is not a U.S. citizen and who resides in the United States under legally recognized and lawfully recorded permanent residence as an immigrant. The term "lawful permanent resident" includes conditional residents. If you check this box, write either your Alien Registration Number (A-Number) or USCIS Number in the field next to your selection. At this time, the USCIS Number is the same as the A-Number without the "A" prefix.

4. An alien authorized to work: If you are not a citizen or national of the United States or a lawful permanent resident, but are authorized to work in the United States, check this box.

If you check this box:

a. Record the date that your employment authorization expires, if any. Aliens whose employment authorization does not expire, such as refugees, asylees, and certain citizens of the Federated States of Micronesia, the Republic of the Marshall Islands, or Palau, may write "N/A" on this line.

b. Next, enter your Alien Registration Number (A-Number)/USCIS Number. At this time, the USCIS Number is the same as your A-Number without the "A" prefix. If you have not received an A-Number/USCIS Number, record your Admission Number. You can find your Admission Number on Form I-94, "Arrival-Departure Record," or as directed by USCIS or U.S. Customs and Border Protection (CBP).

(1) If you obtained your admission number from CBP in connection with your arrival in the United States, then also record information about the foreign passport you used to enter the United States (number and country of issuance).

(2) If you obtained your admission number from USCIS *within the United States*, or you entered the United States without a foreign passport, you must write "N/A" in the Foreign Passport Number and Country of Issuance fields.

Sign your name in the "Signature of Employee" block and record the date you completed and signed Section 1. By signing and dating this form, you attest that the citizenship or immigration status you selected is correct and that you are aware that you may be imprisoned and/or fined for making false statements or using false documentation when completing this form. To fully complete this form, you must present to your employer documentation that establishes your identity and employment authorization. Choose which documents to present from the Lists of Acceptable Documents, found on the last page of this form. You must present this documentation no later than the third day after beginning employment, although you may present the required documentation before this date.

Preparer and/or Translator Certification

The Preparer and/or Translator Certification must be completed if the employee requires assistance to complete Section 1 (e.g., the employee needs the instructions or responses translated, someone other than the employee fills out the information blocks, or someone with disabilities needs additional assistance). The employee must still sign Section 1.

Minors and Certain Employees with Disabilities (Special Placement)

Parents or legal guardians assisting minors (individuals under 18) and certain employees with disabilities should review the guidelines in the *Handbook for Employers: Instructions for Completing Form I-9 (M-274)* on www.uscis.gov/I-9Central before completing Section 1. These individuals have special procedures for establishing identity if they cannot present an identity document for Form I-9. The special procedures include (1) the parent or legal guardian filling out Section 1 and writing "minor under age 18" or "special placement," whichever applies, in the employee signature block; and (2) the employer writing "minor under age 18" or "special placement" under List B in Section 2.

Section 2. Employer or Authorized Representative Review and Verification

Before completing Section 2, employers must ensure that Section 1 is completed properly and on time. Employers may not ask an individual to complete Section 1 before he or she has accepted a job offer.

Employers or their authorized representative must complete Section 2 by examining evidence of identity and employment authorization within 3 business days of the employee's first day of employment. For example, if an employee begins employment on Monday, the employer must complete Section 2 by Thursday of that week. However, if an employer hires an individual for less than 3 business days, Section 2 must be completed no later than the first day of employment. An employer may complete Form I-9 before the first day of employment if the employer has offered the individual a job and the individual has accepted.

Employers cannot specify which document(s) employees may present from the Lists of Acceptable Documents, found on the last page of Form I-9, to establish identity and employment authorization. Employees must present one selection from List A **OR** a combination of one selection from List B and one selection from List C. List A contains documents that show both identity and employment authorization. Some List A documents are combination documents. The employee must present combination documents together to be considered a List A document. For example, a foreign passport and a Form I-94 containing an endorsement of the alien's nonimmigrant status must be presented together to be considered a List A document. List B contains documents that show identity only, and List C contains documents that show employment authorization only. If an employee presents a List A document, he or she should **not** present a List B and List C document, and vice versa. If an employer participates in E-Verify, the List B document must include a photograph.

In the field below the Section 2 introduction, employers must enter the last name, first name and middle initial, if any, that the employee entered in Section 1. This will help to identify the pages of the form should they get separated.

Employers or their authorized representative must:

1. Physically examine each original document the employee presents to determine if it reasonably appears to be genuine and to relate to the person presenting it. The person who examines the documents must be the same person who signs Section 2. The examiner of the documents and the employee must both be physically present during the examination of the employee's documents.
2. Record the document title shown on the Lists of Acceptable Documents, issuing authority, document number and expiration date (if any) from the original document(s) the employee presents. You may write "N/A" in any unused fields.

If the employee is a student or exchange visitor who presented a foreign passport with a Form I-94, the employer should also enter in Section 2:

- a. The student's Form I-20 or DS-2019 number (Student and Exchange Visitor Information System-SEVIS Number); **and** the program end date from Form I-20 or DS-2019.
3. Under Certification, enter the employee's first day of employment. Temporary staffing agencies may enter the first day the employee was placed in a job pool. Recruiters and recruiters for a fee do not enter the employee's first day of employment.
 4. Provide the name and title of the person completing Section 2 in the Signature of Employer or Authorized Representative field.
 5. Sign and date the attestation on the date Section 2 is completed.
 6. Record the employer's business name and address.
 7. Return the employee's documentation.

Employers may, but are not required to, photocopy the document(s) presented. If photocopies are made, they should be made for **ALL** new hires or reverifications. Photocopies must be retained and presented with Form I-9 in case of an inspection by DHS or other federal government agency. Employers must always complete Section 2 even if they photocopy an employee's document(s). Making photocopies of an employee's document(s) cannot take the place of completing Form I-9. Employers are still responsible for completing and retaining Form I-9.

Unexpired Documents

Generally, only unexpired, original documentation is acceptable. The only exception is that an employee may present a certified copy of a birth certificate. Additionally, in some instances, a document that appears to be expired may be acceptable if the expiration date shown on the face of the document has been extended, such as for individuals with temporary protected status. Refer to the *Handbook for Employers: Instructions for Completing Form I-9 (M-274)* or I-9 Central (www.uscis.gov/I-9Central) for examples.

Receipts

If an employee is unable to present a required document (or documents), the employee can present an acceptable receipt in lieu of a document from the Lists of Acceptable Documents on the last page of this form. Receipts showing that a person has applied for an initial grant of employment authorization, or for renewal of employment authorization, are not acceptable. Employers cannot accept receipts if employment will last less than 3 days. Receipts are acceptable when completing Form I-9 for a new hire or when reverification is required.

Employees must present receipts within 3 business days of their first day of employment, or in the case of reverification, by the date that reverification is required, and must present valid replacement documents within the time frames described below.

There are three types of acceptable receipts:

1. A receipt showing that the employee has applied to replace a document that was lost, stolen or damaged. The employee must present the actual document within 90 days from the date of hire.
2. The arrival portion of Form I-94/I-94A with a temporary I-551 stamp and a photograph of the individual. The employee must present the actual Permanent Resident Card (Form I-551) by the expiration date of the temporary I-551 stamp, or, if there is no expiration date, within 1 year from the date of issue.
3. The departure portion of Form I-94/I-94A with a refugee admission stamp. The employee must present an unexpired Employment Authorization Document (Form I-766) or a combination of a List B document and an unrestricted Social Security card within 90 days.

When the employee provides an acceptable receipt, the employer should:

1. Record the document title in Section 2 under the sections titled List A, List B, or List C, as applicable.
2. Write the word "receipt" and its document number in the "Document Number" field. Record the last day that the receipt is valid in the "Expiration Date" field.

By the end of the receipt validity period, the employer should:

1. Cross out the word "receipt" and any accompanying document number and expiration date.
2. Record the number and other required document information from the actual document presented.
3. Initial and date the change.

See the *Handbook for Employers: Instructions for Completing Form I-9 (M-274)* at www.uscis.gov/I-9Central for more information on receipts.

Section 3. Reverification and Rehires

Employers or their authorized representatives should complete Section 3 when reverifying that an employee is authorized to work. When rehiring an employee within 3 years of the date Form I-9 was originally completed, employers have the option to complete a new Form I-9 or complete Section 3. When completing Section 3 in either a reverification or rehire situation, if the employee's name has changed, record the name change in Block A.

For employees who provide an employment authorization expiration date in Section 1, employers must reverify employment authorization on or before the date provided.

Some employees may write "N/A" in the space provided for the expiration date in Section 1 if they are aliens whose employment authorization does not expire (e.g., asylees, refugees, certain citizens of the Federated States of Micronesia, the Republic of the Marshall Islands, or Palau). Reverification does not apply for such employees unless they chose to present evidence of employment authorization in Section 2 that contains an expiration date and requires reverification, such as Form I-766, Employment Authorization Document.

Reverification applies if evidence of employment authorization (List A or List C document) presented in Section 2 expires. However, employers should not reverify:

1. U.S. citizens and noncitizen nationals; or
2. Lawful permanent residents who presented a Permanent Resident Card (Form I-551) for Section 2.

Reverification does not apply to List B documents.

If both Section 1 and Section 2 indicate expiration dates triggering the reverification requirement, the employer should reverify by the earlier date.

For reverification, an employee must present unexpired documentation from either List A or List C showing he or she is still authorized to work. Employers CANNOT require the employee to present a particular document from List A or List C. The employee may choose which document to present.

To complete Section 3, employers should follow these instructions:

1. Complete Block A if an employee's name has changed at the time you complete Section 3.
2. Complete Block B with the date of rehire if you rehire an employee within 3 years of the date this form was originally completed, and the employee is still authorized to be employed on the same basis as previously indicated on this form. Also complete the "Signature of Employer or Authorized Representative" block.
3. Complete Block C if:
 - a. The employment authorization or employment authorization document of a current employee is about to expire and requires reverification; or
 - b. You rehire an employee within 3 years of the date this form was originally completed and his or her employment authorization or employment authorization document has expired. (Complete Block B for this employee as well.)

To complete Block C:

- a. Examine either a List A or List C document the employee presents that shows that the employee is currently authorized to work in the United States; and
 - b. Record the document title, document number, and expiration date (if any).
4. After completing block A, B or C, complete the "Signature of Employer or Authorized Representative" block, including the date.

For reverification purposes, employers may either complete Section 3 of a new Form I-9 or Section 3 of the previously completed Form I-9. Any new pages of Form I-9 completed during reverification must be attached to the employee's original Form I-9. If you choose to complete Section 3 of a new Form I-9, you may attach just the page containing Section 3, with the employee's name entered at the top of the page, to the employee's original Form I-9. If there is a more current version of Form I-9 at the time of reverification, you must complete Section 3 of that version of the form.

What Is the Filing Fee?

There is no fee for completing Form I-9. This form is not filed with USCIS or any government agency. Form I-9 must be retained by the employer and made available for inspection by U.S. Government officials as specified in the "**USCIS Privacy Act Statement**" below.

1. EMPLOYEE AND UNIVERSITY INFORMATION

EMPLOYEE NAME (Last, First, Middle Initial)	EMPLOYEE NUMBER	SOCIAL SECURITY NUMBER
CAMPUS/LAB	DEPARTMENT	DATE OF HIRE

Your earnings from this position are not covered under Social Security. When you retire, or if you become disabled, you may receive a UC defined contribution plan (DC plan) or UC Retirement Plan (UCRP) benefit based on earnings from this position. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your DC plan or UCRP benefit may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected.

Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

1. Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a plan benefit from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a plan benefit from this job.

For example, if you are age 62 in 2012, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$383.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to the Social Security publication, "Windfall Elimination Provision."

2. Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a federal, state or local government plan benefit based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your government plan benefit.

For example, if you receive a monthly government plan benefit of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 – \$400 = \$100).

Even if your government plan benefit is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to the Social Security publication, "Government Pension Offset."

2. FOR ADDITIONAL INFORMATION

Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. 3. REQUIRED SIGNATURE

I certify that I have received Form UCRS 419 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security benefits.

EMPLOYEE'S WITHHOLDING ALLOWANCE CERTIFICATE

*** Use this sheet for STATE instructions and worksheets.
Complete the UC W-4/DE 4 as directed.**

YOUR CALIFORNIA PERSONAL INCOME TAX MAY BE UNDERWITHHELD IF YOU DO NOT FILE THIS DE 4 FORM

IF YOU RELY ON THE FEDERAL W-4 FOR YOUR CALIFORNIA WITHHOLDING ALLOWANCES, YOUR CALIFORNIA STATE PERSONAL INCOME TAX MAY BE UNDERWITHHELD AND YOU MAY OWE MONEY AT THE END OF THE YEAR.

PURPOSE: This certificate, DE 4, is for California Personal Income Tax (PIT) withholding purposes only. The DE 4 is used to compute the amount of taxes to be withheld from your wages, by your employer, to accurately reflect your state tax withholding obligation.

You should complete this form if either:

(1) You claim a different marital status, number of regular allowances, or different additional dollar amount to be withheld for California PIT withholding than you claim for federal income tax withholding or,

(2) You claim additional allowances for estimated deductions.

THIS FORM WILL NOT CHANGE YOUR FEDERAL WITHHOLDING ALLOWANCES.

The federal Form W-4 is applicable for California withholding purposes if you wish to claim the same marital status, number of regular allowances, and/or the same additional dollar amount to be withheld for state and federal purposes. However, federal tax brackets and withholding methods do not reflect state PIT withholding tables.

If you rely on the number of withholding allowances you claim on your Form W-4 withholding allowance certificate for your state income tax withholding, you may be significantly underwithheld. This is particularly true if your household income is derived from more than one source.

CHECK YOUR WITHHOLDING: After your UC W-4/DE 4 takes effect, compare the state income tax withheld with your estimated total annual tax. For state withholding, use the worksheets on this form and for federal withholding use the Internal Revenue Service (IRS) Publication 919 for federal withholding calculations.

EXEMPTION FROM WITHHOLDING: If you wish to claim exempt, complete Section III of the UC W-4/DE 4. Do not complete Section I, Box 2; Section II, Boxes 2 or 3; or Section IV. You may only claim exempt from withholding California income tax if you did not owe any federal income tax last year and you do not expect to owe any federal income tax this year. The exemption is good for one year. If you continue to qualify for the exempt filing status, a new UC W-4/DE 4 must be submitted by February 15 each year to continue your exemption. If you are not having federal income tax withheld this year but expect to have a tax liability next year, you are required to submit a new UC W-4/DE 4 by December 1.

EXEMPTION FROM WITHHOLDING (continued): Under the Service Member Civil Relief Act, as amended by the Military Spouses Residency Relief Act, you may be exempt from California income tax on your wages if (i) your spouse is a member of the armed forces present in California in compliance with military orders; (ii) you are present in California solely to be with your spouse; and (iii) you maintain your domicile in another state. If you claim exemption under this act, check the box in Section III, Line 3. You may be required to provide proof of exemption upon request.

The *California Employer's Guide* (DE 44), provides the income tax withholding tables. This publication may be found on EDD's Web site at www.edd.ca.gov/Payroll_Taxes/Forms_and_Publications.htm. To assist you in calculating your tax liability, please visit the Franchise Tax Board's Web site at: www.ftb.ca.gov/individuals/index.shtml.

NOTIFICATION:

Your employer is required to send a copy of your UC W-4/DE 4 to the Franchise Tax Board (FTB) if it meets any of the following conditions:

- You claim more than 10 withholding allowances
- You claim exemption from state or federal income tax and your employer expects your usual weekly wages to exceed \$200 per week.

IF THE IRS INSTRUCTS YOUR EMPLOYER TO WITHHOLD FEDERAL INCOME TAX BASED ON A CERTAIN WITHHOLDING STATUS, YOUR EMPLOYER IS REQUIRED TO USE THE SAME WITHHOLDING STATUS FOR STATE INCOME TAX WITHHOLDING IF YOUR WITHHOLDING ALLOWANCES FOR STATE PURPOSES MEET THE REQUIREMENTS LISTED UNDER "NOTIFICATION." IF YOU FEEL THAT THE FEDERAL DETERMINATION IS NOT CORRECT FOR STATE WITHHOLDING PURPOSES, YOU MAY REQUEST A REVIEW.

To do so, write to:

W-4 Unit
Franchise Tax Board MS F180
P. O. Box 2952
Sacramento CA 95812-2952
Fax: (916) 843-1094

Your letter should contain the basis of your request for review. You will have the burden of showing the federal determination is incorrect for state withholding purposes. The FTB will limit its review to that issue. The FTB will notify both you and your employer of its findings. Your employer is then required to withhold state income tax as instructed by the FTB. In the event the FTB or the IRS finds there is no reasonable basis for the number of withholding exemptions that you claimed on your UC W-4/DE 4, you may be subject to a penalty.

PENALTY: You may be fined \$500 if you file, with no reasonable basis, a form UC W-4/DE 4 that results in less tax being withheld than is properly allowable. In addition, criminal penalties apply for willfully supplying false or fraudulent information or failing to supply information requiring an increase in withholding. This is provided for by Section 13101 of the California Unemployment Insurance Code.

INSTRUCTIONS – 1 – ALLOWANCES *— for Section II, Box 2, of the UC W-4/DE 4.

When determining your withholding allowances, you must consider your personal situation:

- Do you claim allowances for dependents or blindness?
- Are you going to itemize your deductions?
- Do you have more than one income coming into the household?

TWO-EARNER/TWO-JOBS: When earnings are derived from more than one source, underwithholding may occur. If you have a working spouse or more than one job, it is best to check the box "SINGLE or MARRIED (with two or more incomes)." Figure the total number of allowances you are entitled to claim on all jobs using only one DE 4 form. Claim allowances with one employer. Do not claim the same allowances with more than one employer. Your withholding will usually be most accurate when all allowances are claimed on the DE 4 or W-4 filed for the highest paying job and zero allowances are claimed for the others.

MARRIED BUT NOT LIVING WITH YOUR SPOUSE: You may check the "Head of Household" marital status box if you meet all of the following tests:

- 1) Your spouse will not live with you at any time during the year;
- 2) You will furnish over half of the cost of maintaining a home for the entire year for yourself and your child or stepchild who qualifies as your dependent; and
- 3) You will file a separate return for the year.

HEAD OF HOUSEHOLD: To qualify, you must be unmarried or legally separated from your spouse and pay more than 50% of the costs of maintaining a home for the entire year for yourself and your dependent(s) or other qualifying individuals. Cost of maintaining the home includes such items as rent, property insurance, property taxes, mortgage interest, repairs, utilities, and cost of food. It does not include the individual's personal expenses or any amount which represents value of services performed by a member of the household of the taxpayer.

INSTRUCTIONS — 2 — ADDITIONAL WITHHOLDING ALLOWANCES — for Section II, Box 3, of the UC W-4/DE 4.

If you expect to itemize deductions on your California income tax return, you can claim additional withholding allowances. Use Worksheet B to determine whether your expected estimated deductions may entitle you to claim one or more additional withholding allowances. Use last year's FTB 540 form as a model to calculate this year's withholding amounts.

Do not include deferred compensation, qualified pension payments or flexible benefits, etc., that are deducted from your gross pay but are not taxed on this worksheet.

You may reduce the amount of tax withheld from your wages by claiming one additional withholding allowance for each \$1,000, or fraction of \$1,000, by which you expect your estimated deductions for the year to exceed your allowable standard deduction.

2015 W-4

* Department of the Treasury Internal Revenue Service

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. If you are exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2015 expires February 16, 2016. See **Pub. 505**, Tax Withholding and Estimated Tax.

Note: If another person can claim you as a dependent on his or her tax return, you cannot claim exemption from withholding if your income exceeds \$1,050 and includes more than \$350 of unearned income (for example, interest and dividends).

Exceptions. An employee may be able to claim exemption from withholding even if the employee is a dependent, if the employee:

- Is age 65 or older,
- Is blind, or
- Will claim adjustments to income, tax credits; or itemized deductions, on his or her tax return. The exceptions do not apply to supplemental wages greater than \$1,000,000.

Basic instructions. If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earners/multiple job situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be

based on allowances you claimed and may not be a flat amount or percentage of wages.

Head of household. Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See **Pub. 501**, Exemptions, Standard Deduction, and Filing Information, for information.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See **Pub. 505**, for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using **Form 1040-ES**, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity income, see **Pub. 505** to find out if you should adjust your withholding on Form W-4 or W-4P.

Two earners or Multiple jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See **Pub. 505** for details.

Nonresident alien. If you are a nonresident alien, please complete **Form W-4NR/DE4**.

Check your withholding. After your Form W-4 takes effect, use **Pub. 505** to see how the amount you are having withheld compares to your projected total tax for 2015. See **Pub. 505**, especially if your earnings exceed \$130,000 (Single) or \$180,000 (Married).

Future developments. Information about any future developments affecting Form W-4 (such as legislation enacted after we release it) will be posted at www.irs.gov/w4.

Internal Revenue Code sections 3402(f)(2)(A) and 6109 and their regulations require you to provide this information; your employer uses it to determine your federal income tax withholding. Failure to provide a properly completed form will result in your being treated as a single person who claims no withholding allowances; providing fraudulent information may also subject you to penalties. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation, to cities, states, and the District of Columbia, and U.S. commonwealths and possessions for use in administering their tax law; and to the Department of Health and Human Services for use in the National Directory of New Hires. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential, as required by Code section 6103.

The average time and expenses required to complete and file this form will vary depending on individual circumstances. For estimated averages, see the instructions for your income tax return.

If you have suggestions for making this form simpler, we would be happy to hear from you. See the instructions for your income tax return.
